Living In Hungary (www.livinginhungary.info) is a 'Free Information' website for potential property owners, landlords, workers and students coming from another EU country to Hungary that explains the following:

How To Buy/Rent A Property - Finding a property, finding a property lawyer, the actual buying process, dealing with an estate agent, signing contracts, translation/interpretation help, renting out, power of attorney (permission letter), etc.
 How To Get A Residence Permit - The immigration process (the requirements and actual interview process), the residence permit and address card.
 How To Get A Property Renovated - Finding builders, which paint and furniture shops to visit, the Hungarian brand names of decorating and cleaning materials, etc.
 How To Set Up Utility Bills - Setting up a utility contract in person, setting up an 'online payment' account, paying a utility bill offline, sorting out problems, etc.
 How To Open A Bank Account - Opening a bank account, tips on choosing what kind of bank account to open, etc.
 How To Get A TV/Internet/Phone Account - Get a mobile phone p.a.y.g and/or monthly contract, get a tv/internet/landline contract, phone settings, etc.

As well as the above, this website also explains the way of life in Hungary in terms of its Citizens, Cost Of Living, Public Transport, Leisure Activities, Cultural Festivals and Tourist Sights.
