These clear glass nester tables are a light and contemporary furniture item that is crafted using innovative techniques. These clear glass nester tables are made using a single sheet of 12mm tempered toughened safety glass which is bent and curved into a simple curvaceous 'bridge' shape. This creates a streamline appearance across the whole of the table top area, with no seams, screws or fixings. The flowing lines provide an invisible ambience of spaciousness within your interior. These clear glass nester tables are a practical furniture item that will be the centre point of any office or study area. Its modern, transparent design is smooth and elegant and is perfect for holding all of your computer equipment and stationary. The sophisticated clear glass and natural cascading design make these clear glass nester tables both practical and stylish. £50!!!!
