HONDA CB 500X, This 2015 CB500X is in excellent condition and has only covered 1478 miles from new with full service history and ready to go for just £4195 Costing well over £5000 new. The CB500X is the last of Honda’s new-for-2013, novice and A2-licence friendly 500-twin triumvirate – the others being the CB500F roadster and CBR500R sports bike – and for our money it’s the best of the bunch. The X’s subtly larger proportions make it more versatile, more man-sized machine, while losing virtually nothing in terms of manageability and agility. Its adventure styling seems more in step with the times and makes better use of its (slightly) limited spec. Its novice credentials are all excellent with ergonomics, controls and a delivery that’s as natural as they come. Yet its performance is good enough, too – a blend of easy, engaging drive and taut-enough steering to please even the most hard-boiled speed nut. It looks good and its quality and value exceed expectations, too. All of which adds up to a job.
