Gender: Boy
 Breed: Standard , short haired.
 Age: 8 weeks
 Price: £15.

This boy was born here and was raised with a lot of love and care. His mum is a mostly white guinea pig but has a brown face and the dad is a lilac guinea pig. This boy is mostly black but has small patches of white on his feet and face. He has been separated from his mum due to eating on his own and drinking water. He has been handled by a lot by older and younger people so he is very friendly and calm so would be good with young children. He is currently staying with his litter mates so if you choose to purchase him he wouldn't be able to be kept with other males due to them fighting as they wouldn't be litter mates and it would be cruel to him to put him in that situation. Guinea pigs are highly stressed so wouldn't want to put him or your other male guinea pig in that situation. However , you can put his hutch along side / in front so they can hear each other as guinea pigs love the company. If this boy sounds like the guinea pig you are looking for please contact by email or text (call if needed but cant guarantee an answer so text would be best. If cannot get a reply from the number listed try this number 07792471323 077924713...(click to reveal full phone number) and once again texting would be best but calls can be taken if needed).!
