Assistance with registering your TV's warranty

Advice and guidance on using and enjoying your new TV and wall bracket, ensuring long term enjoyment

And you can get this designer look today! The price is dependent on the size of your TV, preferred location and preferred wall. Some brick walls take time to hollow out and redecorate, and the job may span several days to ensure a flawless finish. For an accurate quote, contact us on 0800 0132341 0800 01323...(click to reveal full phone number) .

Contact us now to discuss your job in more detail

Sometimes called 'full motion' mounts, cantilever mounts allow you to pull your TV away from the wall as well as tilt and rotate the screen. This lets you adjust your set to your needs and, when you're done, you can push your TV flush against the wall.

We'll assess your home/office, find the perfect bracket for you and wall mount your TV with no fuss or mess.
