LTS Couriers provide a professional and reliable delivery service, obtaining the ability to effectively operate under any timescale to provide a fast, closely monitored and robust service. Safe delivery of all consignments we believe is paramount, with no margin for error tolerated. In order to operate as a top courier service throughout Leicester, Midlands, UK and Worldwide you need experience, intelligence, geographical knowledge and a strong team of couriers. We ensure you have up to the minute tracking of your consignment, together with the latest on-board satellite navigation systems to ensure a fast and efficient delivery of your goods. We are innovative and pride ourselves in our ability to rapidly react to changes, which allows us to constantly improve the service that we provide to you.

A full range of in house vehicles are operated, from a small van up to a Luton with curtain sides; larger vehicles are available on request. Specialist services such as ADR are also offered by our highly trained.
