Bonbon Spring Summer is a sweet and surprising limited edition twist on the original Bonbon perfume by Viktor&Rolf, continuing the delicious and addictive sensation. This Fruity Gourmand was created in limited quantities as a dedication to the designers' fashion collections. The iconic scent has a sweet and Summery twist with top notes of sparkling pink grapefruit and mandarin. Accompanying the cascade of caramel is a delicate dusting of icing sugar accord which creates a light subtle sweetness throughout the fragrance. Finally crystallised Jasmine creates a fresh, floral femininity for long lasting.
