

Brick Patterned Stone Block (1 GBP)

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-546629-z>

These are patterned brick style stones / blocks to build an decorative wall.
 The stones measure 22cm high by 44cm wide by 10cm deep. You can either place the 22cm side down or you can place the 44cm side down. You can decide when you come to cement them down.
 Each stone block is reasonably heavy. One person can lift them with both hands.
 Offering them at £1 EACH. There are approx 60 stones / blocks.
 Willing to accept reasonable offers for all of them.
 The majority are cleared of cement with no significant chips as per.
