Learn Salsa at Battersea Spanish!

You will learn with a group of under sixteen students and we have proper dance mirrors so your Salsa instructor can give you personal attention to help you refine your moves. All of our Dance teachers are professional dancers and professional teachers.

Because you may miss the occasional lesson, we've created a series of tutorial videos that allow you to make up for lost time, or practice with your dance partner outside of class. We pride ourselves in taking great care of our learners, so we survey our students regularly and take the feedback extremely seriously. We're constantly improving our approach, tools and methods and appreciate your input.
