Hi Barry

Hope your move went well.

We are coming home today but we have had a fantastic time on hols. We have visited some lovely places and had a lovely base to stay at your house.

Off to do last few hours in the sun.

Best regards

Jane.

Hi Barry,

Just thought I would let you know, how much Ann & I enjoyed our lovely relaxing holiday at your house in Spain. It truly was a lovely place to stay. We wish we could have stayed longer!! By all means, please use this feedback on your eBay account.

I would also like to keep your details for the future, if that is alright with you? Thanks again, best wishes, Alexandra Mansfield.

Hi Barry

We have just returned home from our holiday & wanted to thank you for the use of your Villa.

It is a fantastic resort & villa & we thoroughly enjoyed our stay.

I would like to, book for next year around the same time if possible as I know you get booked up early.

Regards,

Neil. 2nd August 2017.

Hi Barry,

My family and I had a relaxing two week holiday at your townhouse. It is in the best location on the resort overlooking the largest pool which we used most days with the fold-up sunbeds provided. We enjoyed a few games of tennis as the courts were beside the pool. As a family of four, it was great to have the use of all the facilities in the house and WiFi.

Thanks for letting us rent your house and answering all our queries.

Diane & Family N. Ireland 4th August 2017.

Good morning Barry,

Many thanks, we have had a lovely holiday at your house.

I like to also ask if there still is availability for next summer as we would love to return to your house?

Warm regards,

Dana & family 18th August
