Hi, im looking to swap my Dell XPS 15" laptop. swap would be for a gaming pc only The laptop comes with all original packaging user manuals and driver CD's. The laptop is in excellent condition with no obvious marks or scratches. The battery does need replacing (~£15) but the laptop runs absolutely fine off the mains adaptor.

The laptop be be fully formatted and a fresh install of Windows 8.1 performed. All the latest updates and drivers have also been installed so the laptop is ready to turn on and use!

Please find the full system specification below:
