stainless steel range cooker
gas hob / x2 electric ovens, main oven fan assisted
great condition, i have an oven cleaning business so spent a good few hours stripping this down to clean properly
It has a handy wok burner ring
I think it originally it has a glass lid im not sure but it didnt have one when i got it.
The stickers on the knobs have come off but once you get used to what the knobs do its not a prob or you can probably get them off ebay if you want
comes with gas pipe and electrics
w-90cm
h-90cm
d-60cm
pick up can have delivered for some extra
if you see this ad then yes i still have
