stailess steel ranger cooker

gas hob / x2 electric ovens, main oven fan assisted

great condition, i have an oven cleaning business so spent a good few hours stripping this down to clean properly

It has a handy wok burner ring

I think it origionally it has a glass lid im not sure but it didnt have one when i got it.

The stickers on the knobs have come off but once you get used to what the knobs do its not a prob or you can probably get them off ebay if you want

comes with gas pipe and electrics

w-90cm

h-90cm

d-60cm

pick up can have delivered for some extra

if you see this ad then yes i still have
