For sale Crown 404 caravan

CRIS registered new on 12/4/2001

Lightweight 4 berth caravan, can be towed and maneuvered easily by smaller car,

The caravan layout consists of front seating which convert to a double bed.

A fold down table stored in the cupboard can be easily placed here at meal times, more than sufficient for four persons.

Side seating for a further two persons with table, this converts to a single bed with a single bunk bed overhead, (the bunk has been used only once by us).

The toilet, with hot and cold water, shower wash hand basin complete with shower curtain is opposite, never used shower. (toilet /shower room has only used for emergency night visits.

Directly in front is the BF gas fire, 3 burner hob with flame protection, with glass top and grill below, fridge and freezer with hot and cold water, 220v 50hz.

Large a/c unit and high back chairs with 110v power hitch, 110v waste and 110v water connection, up cable, 110v power bottle, 110v power step, 110v power late.

A very good, honest caravan with no funny smell or spongy flooring, all the doors are of solid construction (not egg box type).

A few minor caravan site acquired dents that does not detract from the overall presentation of the caravan.

Will demonstrate all appliances working to new owner if required.

CRIS document and user guides for appliances are present.

Owned the caravan for last seven years and has been serviced every year since I have been the owner.
