

Planning Drawings amp Building Regulations Applications

Location **London, London**
<https://www.freeadsz.co.uk/x-547348-z>

Design & Plan Ltd is an architectural & structural design consultancy with a highly motivated team specializing in producing working drawings and applications for residential & commercial planning and building regulations approval. We combine expert knowledge of planning policy, building regulations, construction methods, structures, and sewer build over agreements to add best value to your project. Established in 2007, we have worked on various types of domestic & commercial planning applications with most councils in and around Greater London and the surrounding areas gaining valuable experience in interpreting planning & building control policy in the process. All our work is fully insured and is undertaken throughout Greater London, Hertfordshire, Buckinghamshire, Berkshire, Norfolk, Suffolk, Cambridgeshire, and.
