Apollo BMX Bike. 20 inch wheels. (Suit: 6 yrs to 11 yrs).

There are a few scuff marks and scratches to the paintwork and graphics. There is just a small amount of rust on some steel parts like screws, and bolts, but nothing too serious to affect the overall performance of the bike.

Servicing:

I have a workshop as in the pictures. My last pic on the advert shows what a bike shop would charge for just a service (without replacing any parts).
