CSCS

CSCS cards provide proof that individuals working on construction sites have the required training and qualifications for the type of work they carry out.

The Scheme keeps a database of people working in construction who have achieved, or are committed to achieving a recognised construction related qualification.

Most principal contractors and major house builders require construction workers on their sites to hold a valid CSCS card.

For more information give us a call on 01582 455888 01582 4558...(click to reveal full phone number) or send an email to click to
