

Paul039s Electrical Services

Paul's Electrical Services (West Midlands) Ltd.

Location

West Midlands, Worcestershire

<https://www.freeadsz.co.uk/x-547510-z>

PES was founded in 2003 and became a Limited Company in 2005. We are situated to the South of Birmingham . We specialise in a variety of electrical fields including design, installation, inspection, testing, diagnosis and maintenance of electrical installations for domestic, commercial, public sector and exhibitions. Including Fire Detection and Security Systems, Access Control and Closed Circuit Television. We currently hold several contracts for Redditch Borough Council and carry out Local Authority work on behalf of Worcester County Council. Comprising of electrical installation, repairs and maintenance to both housing stock and Public Buildings including access control. We also install, service and maintain fire detection and emergency lighting systems for housing, including sheltered schemes and public buildings. We carry out an emergency 24 hour response callout service. We also carry out a large volume of work for local schools, and sports centres.
