YOPA is the affordable, simple and transparent way to sell your home. We combine the best of traditional estate agency with the 24-hour efficiency of an online service - all for a fraction of the usual estate agency cost.

Each YOPA customer receives a dedicated local YOPA estate agent, a free valuation, expert marketing of their property on the major online property portals, and sales progression all the way through to completion.

Unlike a high street agent, we also give customers access to their own personal online dashboard, from which they can oversee all aspects of their sale at their convenience. This means that sellers are not constrained by estate agency office hours. From receiving viewing requests on Sundays or feedback and offers at 11pm, with YOPA you won't miss out on the chance to find the perfect buyer for your home.

Most of all, our agents are motivated first and foremost by customer reviews. With around-the-clock support and 5*-rated customer service, we put our users at the heart of everything we do.
