This 3 year old table has been used as a side table. It is black in color and has a nice wood grain type finish to it. It is in very good/excellent condition. It has the following dimensions and is quite sturdy: 35.5" (W) x 17.75" (L) x 17.5" (H). As a heads up, in the picture, the texture change is because I forgot to take my mouse pad off of the table. Willing to:)
