

2 Black Room Dividing Screens (25 GBP)

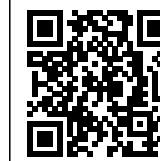

Location

Scotland, Strathclyde
<https://www.freeadsz.co.uk/x-547643-z>

These room dividing screens are free-standing and are made with woven paper. Both screens have 3 panels each and are black in colour. Since they are made from bonded paper and wood, this screen is lightweight and can be moved easily. It can be used as a privacy screen, decorative feature, room divider and more. The screens have 2-way hinges which allow you to create the space required and can be shaped into any angle Measurements: Size when fully open: 172 x 2 x 120 cm approximately, size when fully folded: 172 x 8.5 x 40 cm approximately Age: 3 yo Condition: Very Good/Excellent Willing to:)
