

Regency style mahogany dining table and 6 chairs (45 GBP)

Location **South West, Gloucestershire**
<https://www.freeadsz.co.uk/x-547759-z>

Made from mahogany veneer,
 The chairs have all been recovered with Laura Ashley material. There are 4 standard chairs and 2 carver chairs.
 The table has three parts to it . The two main sections create a table of 5 feet 4 inches long (163cms) and 3ft 2 inches (97cms) wide and seats 6 comfortably.
 When the third central section is added into the middle of the two standard sections this makes a table of 7ft 2 inches (219cms) long and will seat at least 8 comfortably and can seat 10 .
 The table does have some blemishes and the chairs have some varnish missing as shown in the photos.
 I will deliver the item to any where within 20 miles of my postcode for £5.00 and beyond that I will agree a charge, but unlikely to deliver beyond 50 miles
