My name is Rachel Lyon and I am a reflexologist and aromatherapist. I have 7 years experience in manual therapies and I obtained a BSc in Complementary Healthcare in 2016.

I am excited to announce the opening of my practice in the Gaia Lifestyle Centre in Roath where I will be promoting a 50% offer off reflexology treatments and 20% off aromatherapy treatments. This offer will end on the 10th of October 2017!

I have experience in treating persons with musculo-skeletal issues, osteoarthritis, endocrine conditions, digestive conditions, insomnia and have helped many clients with stress management. Whether you want to come in for a treatment to treat a condition, try something new or just to unwind from modern life, feel free to contact me for more information.

I offer high quality, individualised reflexology and aromatherapy treatments for all. Visit my website for more information on prices. Concessions available.

Opening hours are only on Mondays, Tuesdays and Fridays from 9am to 8pm. All appointments will be needed to be made in advance. Off street parking available.
