Would you like to put shelves and curtains up ... that stay up? You are not alone!

In this fast paced one day workshop we share the 'know how' of a corded and cordless drill. We'll show you why the power tool is your friend and give you the confidence to master it.

A perfect starter for all those annoying jobs around the house that you feel you should be able to tackle...if only you knew how.

All of our classes are enjoyable and practical "hands on" workshops that cover many of the common aspects of basic DIY and are ideal for beginners looking to learn new skills and gain confidence to tackle simple jobs at home. No need to bring anything to a workshop as we supply everything, including aprons and cups of tea.

All personal protection, tuition, tools and materials are.
