Cards For Good Causes will be opening their shop in URC again (Grosvenor Road entrance - Green door at the top of the hill where you see the Santa boards) selling cards and seasonal gifts on behalf of national, regional and local charities including Alzheimer's Society, Parkinson's, Fegans, Help for Heroes, Hi Kent, Romney Marsh Historic Churches. This year we will have some exclusive designs produced for us by local artists Chris Burke & Elaine Gill who did the mural on Tunbridge Wells railway station. Come along on Saturday 21st October at 11:00 to meet not only both artists but also TW's very own caped charity fund raiser Ringpullman! Start saving all those metal ringpulls from your food and drink cans and pop them in our collection box in-store when ever you are passing during our trading season to ensure they go towards his charity - visit www.ringpullman.com for further information. We are open 14th October - 19th December 10-4:30 and will stock a range of gifts as well as wrapping paper, advent calendars, candles, etc. Staffed by volunteers so come along and support us. If you'd like to get involved then visit our website <https://www.cardsforcharity.co.uk/> and "Get Involved".
