I have 4 gents coats, all in very good condition and from a smoke and pet free home. They fit a 44 inch chest. 1 waterproof jacket, n fear brand with earphones threaded through the jacket, 2 leather jackets, one black, one light brown, the other in dark brown. They have got slightly creased in storage, but there is nothing wrong with them.
(Sorry about my model, she is all I had at the time and the coats drawn her)
I am asking £10 for the no fear one, and £20 for each of the leather
