Exciting opportunity to purchase a lovely 4m Zodiac in perfect condition, easy to launch single handed. Carries 6 people comfortably, boat packs in bag for easy transportation, or use trailer included. I've purchased a bigger RIB hence price for quick sale. Great engine serviced last season, video available taken this weekend if needed, hardly used this is a 2008 former yacht tender. Tubes as new unpatched, always stored inside. Trailer included, and all you need to get on the water!
