Fantastic brown leather corner sofa with wooden feet, and matching Footstool for sale. Gorgeous soft leather fabric in excellent condition. 18 months old and purchased from DFS for £3,800. Selling due to structural redesign of living space which means it no longer fits. Sad to be selling as it truly is a gorgeous sofa and a statement piece in any living room. Sensible offers only - this is selling for a higher price than other items on here as it's pretty much brand new and in excellent condition. Happy for people to.
