Shropshire - A Shell Guide by John Piper and John Betjeman, Faber and Faber, 1951, first edition, hardback, excellent condition. This first Shell Guide published since the war is complete with illustrated dust wrapper. It has 58 illustrations, mainly photos by the authors and drawings by Piper. One of an eminently collectable series. Expertise and artistry bring the highlights of the counties of England and Wales to the attention of the perceptive traveller and the interested.
