Carrera Vegeance Limited Edition Mountain Bike

18 inch lightweight alloy frame
 26 inch XCD White double wall alloy wheels
 Quick release front & back wheels
 Knobbly tyres, which have had light use due to me swapping these for road tyres
 24 speed gears
 Rapid fire gear changers
 Shimano Hydraulic disc brakes
 Dart rock shox front suspension forks

The bike is in fairly good condition, obvious signs of use and wear due to this being used. Frame has a few marks and scratches (from use and where I locked it up), but not as bad as some I have seen as I have tried my best to look after it. Mainly used on the road, very rarely off.
