This 4 MONTH OLD stunning TINY little BLUE FAWN Girl has been returned to us (the breeder) as lady who bought her has just found out she is expecting another child and feels 2 children under 5 yrs and a puppy are too much for her to cope with. This lovely little girl just LOVES CUDDLES & is exceptional quality, perfect apple head and amazing loving temperament. She is FULLY VACCINATED, MICROCHIPPED, KC REGISTERED, She will go to her new FOREVER PET HOME with her bed, bowls, food, toys, heat pad and blankets, everything she needs and is used to which will help her settle in her new home. She is Toilet trained and walks lovely on her lead. A VERY HAPPY, AFFECTIONATE TINY GIRL. Mum is here with us so obviously can be seen as can her uncle. THIS GIRL DESERVES A CARING, LOVING FOREVER HOME. She will also be leaving with a months free health insurance. We would MAYBE let her go for less if new owner gets her spayed and doesn't want her KC.
