

BrackhamHR, The HR solution for your business.

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-548708-z>

BrackhamHR is here to professionally lead and support your business in all HR matters while providing you with peace of mind.

We welcome clients from start-up businesses with just a handful of employees to larger established clients across all sectors. If your business does not have an in-house HR resource, or there are areas in which you require professional HR direction, BrackhamHR is here to help.

From basic administration and essential paperwork, to complex HR initiatives and/or bespoke project work, our services deliver full optimization of our hands-on experienced advice and resources.

In all your HR needs, we offer reliable, efficient and flexible HR support, and will work with you to achieve them.

We support business in all areas of HR including

- * HR advice line
- * Employment relations (Disciplinaries/Grievances/Sickness/employment law/contractual issues)
- * HR administration
- * HR Project work
- * Recruitment
- * HR Compliance
- * Business support
- * Performance management
- * Benefits & reward
- * HR policies & procedures

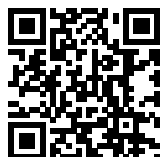

* HR documentation & best practice

We understand that every business does not work the same and that every business is different. Offering all areas of HR support, we will know our clients and work with them to achieve their HR requirements. Flexible, cost-effective support. Whether you are seeking one-time support, and getting a team a particular project or other, or you would like a retained ongoing daily HR resource, with Brackham HR you are in good hands and the needs of our clients are our first.
