€6 simple steps

We've made it simple to find the perfect tenants for you and your property

1) Landlord: Create an advert, Write your ad and Email your property photos. Our experts will then check that the ad has all the information it should have and is legal. Remember you can make changes to your ad at any time. Just call and send us a rough draft.

2) Landlord: Get ready for enquiries. A short time after your ad is approved it'll be on all the UK's main property sites including Gumtree. Set aside time in your diary so you can book tenants in for viewings – and be ready for their questions!

3) Landlord: Respond quickly. As soon as your enquiries come in via email or phone, get back to them. A prompt response will put you in pole position to get the best tenants.

4) Landlord: Choose your perfect tenant. The viewings are done and you've got a shortlist – time to choose! Call the agency to apply. R & R Everyday Letting Agency: Call on the day to arrange a viewing. Once you've chosen your tenant, we'll complete your reference pack, no cost to you and only £75 (incl vat) (199+ VAT) final fee. If you choose our Referencing pack, we'll do the referencing for you. We don't charge any other fees to tenants.

6) R & R Everyday Letting Agency: And finally... When your tenants pass referencing, we'll let you know. If you decide you'd like us to create a tenancy agreement and register your tenants, deposit we can do that for you.
