For sale is my beloved A3 S-Line in white. unfortunately it has to go due to me buying my first house. It has all the usual S-Line goodies that you'd expect including cool looking xenon lights and larger wheels.

Its in very good condition apart from some light curbing to the alloys. It looks stunning when cleaned and its sunny (both lacking in the pictures!).

I will update the listing with better photos as soon as i get a chance to clean it properly, most likely the beginning of this week .

Its coming up to 58,000 miles but i am still using it a little until it sells. its never missed a beat in my ownership, has always been serviced when required and well taken care of. Its just had a fresh service and mot today (7/9/17) so its ready for its new owner.

Its a great car and i'm sad to see it go. If I've missed anything out or you'd like to view (serious buyers only), then please message me and ill get back to you as soon as possible. thanks for
