Gutter Brush with FREE zip ties. 4m reel for 10 FREE Shipping

Location **South West, Cornwall** https://www.freeadsz.co.uk/x-549054-z

Fitted within minutes, long lasting instant protection, saves pounds on maintenance costs, Saves time and money - no annual gutter or drain cleaning

The brushes can run directly across the down pipe or drain outlets, Flexible and versatile- fit round corners and over outlets

All large objects such as leaves and sticks will not be allowed to enter the gutter and therefore will blow away or perish. Smaller particles percolate down into the brush and will also break down

Virtually indestructible and lasts for years

If there is excess brush at the end of the run, just cut the excess of with a pair of wire snips but make sure to leave approximately 50mm overrun, then just untwist the wire to remove excess filaments, re-twist the spine tightly and bend into a hook shape and secure into the gutter.

Keeps gutters clear all year. Rain filters through the brush, Each 4 metre (100mm diameter) long brush is designed with a twisted-pair stainless steel wire spine that's strong, flexible and resistant to corrosion. Polypropylene bristles, which are tough and UV resistant, are spun into the spine and project out in all directions - it's these bristles that make it so effective. Suitable for 95% of domestic gutters i.e. standard 100mm (approx.) Square or Half Round gutters, this 100mm brush also suits most styles including
