Lunar quasar 524 4 berth caravan
 I'm putting my 4 berth caravan up for sale
 Due to ill health
 WE bought this caravan last year from a dealer in Liverpool and have been away in it 3 times
 It's in great condition and has been well looked after
 The caravan has a dining area that converts into bunk beds and a sitting area which the couches turn in to a double bed
 It has a full back end bathroom which consists of a toilet cassette, a full shower with shower screen which we have not used , a wash basin and cupboard and also a full
 It has a gas cooker which we have never used as we always cooked outside in the
 a microwave
 Kettle and toaster
 Fold away
 Full awning with alimunum poles and curtains
 Porch awning which is brand new and only used
 A waste master
 Water containers
 Removable mats for inside the caravan
 Plates and cups and cutlery
 Bedding And quilts also sleeping bags

Leisure battery
 12v water
 12v gas with
 12v heating
 12v Therman heating system

A original paper work and service history

The inside of the caravan is really clean and tidy however there is a little chip on the worktop but this was like this when we bought it of the dealer apart from that it's immaculate
 Has no mold or Mildew and has been dry stored in a storage unit since the day we bought
 The outside is very clean and white however it does have some dirt which is along the top or just

below the awning rail

it was like this when we bought it of the dealer

It doesn't effect it's use and once awning is up the dints aren't noticeable

WE fell in love with the caravan so we weren't fussed on the dints

WE paid £8500

Selling for 6500 or nearest offer

with everything in it

Please come and look at the caravan if you wish as the pictures don't do it justice I've been as honest as

I can and hopefully the new owner will love the caravan as much as we have really sad to let it go but it's

being left in storage not being used so would prefer it to go to someone who can enjoy many happy

holidays in the caravan

I do have more pictures if you would like to see them I am happy to forward them on for you

Any questions please don't hesitate to ask

Thanks for
