British English mother tongue, experienced translator, I offer my services for the translation of all your documents from French to English.

Specialised in the areas of medical, scientific, technical and business document translation and translation for the film, television, and documentary industries, I have translated many pieces of work for a great number of satisfied clients.

I am a perfectionist who can guarantee the authenticity and irreproachable accuracy of any translation that I undertake.

I hold a Bachelor's degree in the Social Sciences and a Master's degree in Epidemiology and Medical Statistics. I have also obtained a diploma in translation.

I go deep into a piece of work to understand its real meaning and the « voice » the writer intends to portray.

Having lived and worked between France and the UK for the past twelve years, I am fully versed in the French language and can provide exceptional translations of all your written texts.

I can translate all the documents that you require including, but certainly not limited to:

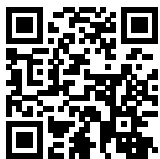

Medical and scientific papers and journal articles All texts required for the film, television, and

documentary industries All technical documentation All academic papers Websites and blogs – including
 on-line magazines, brochures, and other written content All business plans and contracts All
 of questions and answers Business marketing and advertising documents All on-line
 / on-line Flyers / Mail Marketing / Mail Responses / Mail Cover letters / CVs / Resumes /

My prices are reasonable and are adaptable to your budget.

Once contacted, I will reply to you within 24 hours and, once I have seen the work to be translated, I will
 provide you with a quotation as quickly as possible.

I aim to deliver pieces of work as quickly as possible and am always adaptable to meet your
 requirements. I pride myself on being able to turn around projects in tight time scales.
