Audi A3 1.4 TFSI SE Sportback 5dr - (58) 2008

A perfect first time buyer car, luxury German car that's economical and low on insurance. Mileage is 146k, but full service history and very well maintained. My son has just left for university, so his beloved A3 is now available for sale.

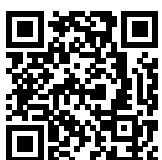

The spec:

Dark Metallic Grey, although in certain light, it can look like black, which you can hopefully see from the pictures.

5 door hatchback, plenty of space in this small economical car, 2 previous owners, electric windows all round, air conditioning, parking aid, 3.5mm Aux input for iPod or Smart Phone, also very handy for hands-free phone through the hifi, MP3 player, CD player, height adjustable driver's seat, height adjustable passenger seat, 60/40 split folding rear seats, 17" alloy wheels, rear tyres are good and brand new tyres on the front, power steering, steering wheel reach adjustment, cruise control, traction control, remote central locking, alarm, driver's airbags, side airbags, passenger airbags, grey metallic paint, spare wheel (space-saver), comfortable cloth seats, parcel shelf net for securing small items and much more.

This is a superb, highly practical, sought after car, sensibly priced due to it's high mileage, but has been well looked after and maintained throughout.

All funds must be clear prior to taking the car. Reasonable offers considered.
