I have just short of 2x boxes of blue glass mosaics.  
these can be cut and made into borders or for a small feature panel.  
1x box has 11x sheets inside, and the other box has strips, mainly half sheets.  
They look beautiful once installed and adds a lovely feature to a room at a low cost.  
Full sheets are 297mm x 297mm & 8mm.
