Hello

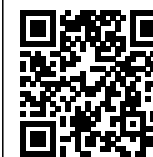

I'm an independent female cleaner (no company) looking for additional regular work in London. I am very honest, reliable, trustworthy and hard-working. I can do general cleaning, ironing and gardening. I can provide references.

I'm available every day (minimum 3 hours) depending on your needs. Please send me a message with your cleaning requirements or call me after 6 pm and I'll get back to you.

Thank you very much

Nadya
