Vintage Pine Hall, Console, End Table, with waxed pine top - legs and drawers painted in F&B Pitch Blue. Two gold coloured knobs have been added to the drawers, which are very slightly distressed.

The table is in good condition and has been scrubbed down, repainted and polished to a nice finish. It would be an addition to any room and has the added advantage of two small drawers. It does have the odd mark here and there but nothing untoward for its age. The legs and drawers have been given a couple of coats of wax for added protection.

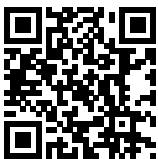

This would also be very useful as a small desk.

Measurements:

Length: 36 inches (91.5cm)

Depth: 17 inches (43cm)

Height: 29 inches (73)
