We have a 17" Jeffries brown leather saddle which is 10+ years old. It is 8" from D-ring to D-ring. It has not been used since my 15.2" horse retired a few years ago. It is in good condition but has some stitching on one side (visible in the photo) where the leather was unfortunately slightly torn. We are hoping to get around £75 for the saddle but are open to offers. The saddle is currently located outside of Devizes, Wiltshire, and is available for.
