

The Natural Nail Bar

Location

Wales, West Glamorgan

<https://www.freeadsz.co.uk/x-550916-z>

We are the first natural nail bar in Wales, and we use Kure Bazaar natural polish, finally an 'eco trendy' polish which of course isn't tested on animals! We also use Bio Seaweed Gel, which is free from the big 5! It contains no harsh chemicals so it isn't damaging to your nails but it still has that long lasting, chip free effect! We only use natural and organic products and are all about natural nail care! We also provide male manicures/pedicures and cuticle work. Our services range from £5-£28. We also use an LED light Therapy machine to anti-age your skin! It also treats conditions such as eczema, psoriasis, pigmentation and skin!
