sale is for the inks / cartridges / heads

Well my HP B8850 just fails to give constant decent prints so the refillible cartridge system is up for sale along with 8 virtually full bottles of Pigment inks (as can be seen in photos) the inks are FotoRite by City Ink Express Print cartridges are mostly full, also included are a couple of sets of print heads (cannot guarantee these) so in all good value . You are welcome to view / collect

Your bid is for the inks / cartridges / heads

The printer can be included but you would have to collect it as it is heavy, as said it will sometimes deliver a good print then the next crap SO PRINTER IS A FREE EXTRA IF YOU WANT.
