£40 per bed frameTwo good quality single hard back solid wood bed frames with lots of under bed storage space, sliding doors and wheels. Very robust and in good condition. Sad to see these beds go, however keen to make a prompt sale as Kingsize bed ordered and on its way soon. Head Boards not included in listed price - however can be discussed. These are dark brown faux leather in excellent condition and relatively new. Image shows one of the beds - other bed is identical. Price may be negotiable. Collection.
