

APOLLO WIND BAND

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-551191-z>

Apollo Wind Band is a friendly, local, intermediate level band. We play a variety of music, including classical, medleys from shows and jazzy numbers. There are currently 26 members in the band playing a range of wind instruments. We are always looking for more players to join us and would welcome enquiries from players of woodwind, brass instruments and string bass. Come and try us if you are at all interested! You can even be lent an instrument to get you started.

The band meets every Tuesday evening at St Paul's Primary School, Sundridge Park, Yate BS35 4EP

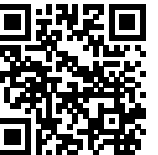

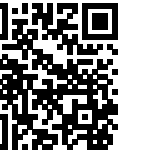

We play at local events throughout the year and with other bands in our charity.

The band is part of the Avon Wind Band Association which comprises four wind bands of different levels and a starter class.
