Hi,

I am a chartered builder with over 30 years experience of property repairs and refurbishment. I am available to help you get your projects done at: -

a reasonable cost,  
 to a great quality and  
 within a reasonable time.

I charge a fixed price so you know what you will pay to have your work done no mater the time taken to do it.

I manage my own time and typically focus on one job at a time, giving you confidence I will be there when I say I will.

I'd be pleased to hear from you to discuss your requirements, so don't hesitate to contact me.

Thanks,
