

# Mesa Boogie Stiletto Ace Guitar Amplifier (10 GBP)

Beautiful amp and the best tone I've ever had. I'm gutted to have to part ways with it but I don't have time to play these days.

I had 2 gigs with her and got massive compliments on my tone and sound.

These are now discontinued so I would strongly recommend playing one and you'll see how great it is.

Collection only or can meet at a location in the south east area if petrol is.
