I have three dog puppies left.

1 Chocolate 2 Black.

Currently 2 weeks old, will be ready 30th October.

Mother is a black KC Reg Working Cocker who was bred from top KC Reg field trials lines.

She herself is a family pet and works a little in the winter beating. Although working, she lives in the house and is a much loved family pet.

Father is a full chocolatier Cocker Spaniel, who is also a family pet and works a little.

Puppies must go to an active home.

They are docked and will be micro chipped at 6 weeks, with all the appropriate paper work for both from the vet.

Both parents can be seen.
