Our Farrow painted large TV stand is part of our stunning new Farrow furniture range. Designed with two useful spacious cupboards either side of two large shelves. The cupboards have shelves inside that are mounted half way up. They are fixed and therefore non adjustable. The doors are fitted with round metal knobs & there is a hole in the back of the unit behind the shelves to allow cables to pass through.

This Farrow painted furniture range is simply extraordinary value for money. Crafted with a quality oak and real oak veneer contrasting top, the clean angled edges of each piece adds charm whilst the polished metal handles add to the contemporary painted.
